

College Mentor Job Description

As a Coaching4Change (C4C) College Mentor, you will work with a team of peers and professional educators to mentor and support K-12 students enrolled in school at one of our local district partners. C4C has full school-day, half-day, and after-school opportunities available. All C4C placements are supervised, coached, and mentored by a school staff member, while working directly with students.

As a C4C College Mentor, you will:

- Lead small group activities (engaging games, ice breakers, physical activity, etc.)
- Facilitate mentor-based conversations to build positive relationships with students
- Assist in delivering hands-on projects and lessons inside & outside the classroom
- Work with teachers and other mentors to develop ways to best support students

Requirements:

- Enrolled undergraduate or graduate student in good academic standing
- Positive attitude/growth mindset (willing to reflect, improve, and be coached)
- Preferred to have strong problem solving skills to improve services day-to-day
- Needs strong interpersonal communication skills (interacting with professionals, peers, families, and students)

We have positions open for the following locations:

- | | | |
|------------------|-------------------|---------------------|
| ★ Boston, MA | ★ Lincoln, MA | ★ Central Falls, RI |
| ★ Brockton, MA | ★ New Bedford, MA | ★ Lincoln, RI |
| ★ Fall River, MA | ★ Norwood, MA | ★ Providence, RI |
| ★ Lawrence, MA | ★ Taunton, MA | |

Compensation

C4C offers paid internships (\$15/hr), internships for credit, and work study positions.

About Coaching4Change:

Coaching4Change (C4C) mobilizes college students to serve low-income K-12 school districts, expands pathways for student success, and builds a pipeline of future educators. C4C recruits, trains, and places local, talented, and diverse college mentors to support school improvement initiatives aimed at increasing student engagement and improving school culture and climate. Over 60% of C4C College Mentors identify as people of color, because representation in schools matters.
